June Chapter

Georgia gets her first much-awaited kiss from Robbie in this chapter, but the aftermath leaves her with mixed feelings. Georgia finally stands up to Jackie in the June chapter. The objectives of these questions are to discuss what impact the kiss may have on Georgia, emotionally and to discuss what changed that allowed Georgia to go from fearing Jackie to standing up for herself.

1. How does Georgia feel about her kiss with Robbie immediately after it happens? How does she feel about it the next day? What changed in the meantime?

2. Do you think that Georgia would have had mixed feelings about the kiss if Lindsay hadn't gotten involved? How does Georgia feel when she finds out that Robbie told Lindsay that Georgia started it?

3. Do you, the reader, believe Lindsay's side of the story? Or do you think that Lindsay is simply trying to delude herself?

4. How does Lindsay's side of the story contribute to Georgia's emotional confusion regarding Robbie?

5. What has changed in Jackie's relationship with Georgia that finally allows Georgia to stand up for herself?

6. What was the biggest factor in Georgia's being able to stand up against Jackie? Was it the changes in her relationship with Jackie? Or did something change for Georgia personally that allowed her to stop being afraid of Jackie?

7. What does this event say about the changes taking place for Georgia?
