

Selection	Connection I Made What did the selection make you think about?	Kind of Connection it is Text-to-text, text-to-self, text-to-world	How it helped me respond What opinion or conclusion I can make
<b>UN World Food Programme: Ads from <a href="http://www.ads-ngo.com">http://www.ads-ngo.com</a></b>	<b>Thinking about people going hungry made me think about the shortage of rice in the world.</b>	<b>Text-to-text: I read about this in the newspaper.</b>	<b>It made me think about how we are finding ways to use food products to fuel cars. I think we should not use food to fuel machines that pollute the earth while people go hungry.</b>
